- Les Jardins Lake
- 2.7km-long swimmable lagoon

RIVIERA
COMMUNITY

An aerial photograph of a coastal city, likely in the Riviera region. The image shows a complex highway interchange with multiple lanes and overpasses. The city is built on a hillside, with numerous buildings and green spaces. A body of water is visible in the foreground, and a small boat can be seen on the water. The word "Riviera" is written in a white, cursive font across the center of the image.

Zen Garden

ZEN GARDEN

The sand or gravel in a Zen garden represent the sea or ocean and is used instead of water. Azizi Riviera Zen garden is carefully raked by our designers to create the impression of waves on the surface of a body of water. The rocks themselves represent islands or rock formations jutting out from the water.
