DAMAC HILLS,
WHERE LIFE
FINDS YOU

DAMAC HILLS

DAMAC Hills is where opulent lifestyles, world-class retail and leisure spaces, along with spectacular outdoor living, spring to life across 42 million square feet of lush greenery.

Mansions, villas and apartments all have access to world-class retail and leisure spaces, along with spectacular outdoor areas and rich greenery in the form of the Trump International Golf Club Dubai and The Park.

A man and a young girl are playing with hula hoops on a grassy bank next to a pond. The man is crouching and holding a blue hula hoop, while the girl is standing and holding the other end. An orange hula hoop lies on the grass nearby. In the background, there are modern, multi-story houses with large windows and balconies, surrounded by palm trees and lush greenery. A white swan is visible in the pond. The scene is set during the golden hour, with warm sunlight and long shadows.
